

Residence Life

At LBC, we believe God has brought you here for an exciting year of growth, learning, and fellowship. We also believe that living on campus creates a powerful living/learning environment to assist you in holistic growth as a student. We hope living in community creates an opportunity for you to explore more about who you are as an individual and how your unique qualities lend you to serve the needs of others. Living on campus can be fun, challenging, and convenient, but it can also be one of the most transformative experiences of your college life. We hope living on campus creates an environment for you to learn and grow as an individual as you are learning and growing in the classroom.

Welcome & Orientation Weekend

Welcome & Orientation Weekend (WOW) is a **required** introduction to college life and the LBC family. Please plan to participate in the orientation. Students, families, and guests are invited to a **New Student Lunch** to kick off the student experience at LBC. During this weekend, new students will meet their fellow classmates, become oriented to LBC's campus, and receive valuable information on how to thrive as a college student.

Resident students will check-in and obtain welcome information upon arrival to campus. Remember to bring any outstanding health forms needed to complete your registration as a new student at LBC.

Student Affairs

HOURS: 8 A.M.—4 P.M.

FAQs

Who is my roommate?

You will be able to view your housing assignment and roommate on your housing application. View the "Application Summary" page for those details. If you would like to get in touch with your new roommate and do not have their contact info, contact Student Affairs at 717.560.8240.

Can I have a vehicle on campus and must I register it?

Resident and commuter students are permitted to have a car on campus, but **must** register for a parking permit from Public Safety. Directions on how to register your vehicle can be found on the Student Portal of the LBC website and will be given out during Weekend of Welcome after you have arrived. Please contact Public Safety at publicsafety@lbc.edu for further information.

What technology does LBC offer?

The Information Systems Department has the campus ready for your computer. Wireless is available; there are several computer labs around campus, too; dorm rooms are ready to have computers plugged into the network. If you have specific questions, please call 717.569.7071 and ask for the Help Desk.

Can I Get a job at LBC?

Looking for some extra cash? Need a job? There are a lot of great jobs right here on the campus of LBC! Possible jobs may be available in these areas: Food Service, Physical Plant, Campus Safety, Athletics and other departments across campus. To search and apply for current job postings, click on the *Student Portal* on the LBC homepage (upper right corner) and then go to the *Student Jobs* section.

What is a stop and how do I get into it?

Here at LBC we refer to your mailbox as your "Stop." If you have already received your schedule, check your LBC email account for an email containing your mail Stop number and combination. This email will be sent to you before you arrive. Your Stop number will be enclosed in the e-mail. If you have any questions please e-mail thestop@lbc.edu.

Want to get involved?

The Student Government Association (SGA) eagerly awaits your arrival at LBC. They are your voice for any ideas that you would like to see put into action. SGA consists of many different groups and organizations that you can be involved in. Becoming involved in a club, fellowship, or an organization is a great way to meet new people with similar interests

and talents outside the classroom. Some of these groups include Student Missions Fellowship, Finishers for Christ, The Creatives, Student Evangelical Fellowship, and clubs connected with academic departments and student publications.

A Message from The Wellness Center

It is a **College Requirement** that all new students have a physical exam (LBC Physical Exam Form to be filled out by your health care provider) and submit a completed Health Form (filled out by student) to The Wellness Center prior to the start of the semester. The exam needs to be within the last year. **Failure to do so will prohibit you from registering for classes and moving into the resident halls.**

Also, Pennsylvania State Law **requires** that all students residing in dorms must have a one-time vaccination against meningococcal disease, or have a signed waiver requesting exemption from the vaccination.

If you need a Health Form or if you have any questions, please contact Student Affairs by calling 717.560.8240 or emailing studentaffairs@lbc.edu.
