

Complaint Resolution – Students Residing Outside PA

Lancaster Bible College recognizes the importance of providing an opportunity for filing complaints or grievances against the college. We view these as opportunities to clarify and explain our policies, procedures, or actions. We also consider these opportunities to reflect and modify our practices as necessary. We encourage all parties to file their initial complaints with the appropriate departments on campus as noted below.

Students: If you are current on-campus student at one of LBC's Pennsylvania campuses, please see the policies [here](#).

Students outside PA: If you are a current student at one of LBC's campuses outside Pennsylvania or an online student residing outside Pennsylvania, please contact Student Affairs at studentaffairs@lbc.edu. Students will not be subject to any unfair action or treatment as a result of initiating a complaint or grievance. Students also have the right to go directly to one of the external accountability agencies listed below.

Prospective students, parents, and others: We encourage initial complaints or grievances to be filed with Human Resources at humanresources@lbc.edu. Human Resources has policies, procedures, and forms in place for specific complaints and grievances. Individuals also have the right to go directly to one of the external accountability agencies listed below.
