

# Commuter Life

Commuters make up a significant group at Lancaster Bible College—almost 40% of current students. Commuters are strongly encouraged to attend and participate in all college activities and it's a great way to meet new people and build strong friendships. We often say our commuters “live on campus, but sleep at home.”

There are many places and **Commuter Care Stations** around campus that are open and available for commuter use. One is a student lounge that is located in **Upper Miller Hall**. There is a movie theater, pool, ping pong and air hockey tables, as well as computers that students are welcome to use. There is also a refrigerator and microwave if you want to store and heat up your lunch.

A few popular areas for commuters to hang out and relax are **Hollie's Café, Charlie's Creamery & Bennee's Bistro**. Hollie's is a coffee shop and lounge located in the Sebastian Academic Center (SAC). Charlie's is an ice cream shop located on the first floor of the new Charles Frey Academic Center (CFAC). Bennee's is located in the Teague Learning Commons (TLC) on the first floor. In addition to coffee, Bennee's also offers other food options like salads and sandwiches.

## Weekend of Welcome

Weekend of Welcome (WOW) is a **required** introduction to college life and the LBC family. Please plan to participate in the orientation. Students, families, and guests are invited to a **New Student Dinner** to kick off the student experience at LBC. Students receive a number of complimentary tickets to the dinner and extra tickets are available for purchase. **Please RSVP to the dinner** at [lbc.edu/soar](http://lbc.edu/soar) as soon as possible.

**Commuting students** will check-in and obtain welcome information upon arrival to campus. Remember to bring any outstanding health forms needed to complete your registration as a new student at LBC.

# FAQs

## **Can I have a vehicle on campus and must I register it?**

Resident and commuter students are permitted to have a car on campus, but **must** register for a parking permit from Public Safety on the Student Portal of the LBC website. Please contact Public Safety at [publicsafety@lbc.edu](mailto:publicsafety@lbc.edu) with any questions.

## **What Technology does LBC offer?**

The Information Systems Department has the campus ready for your computer. Wireless internet is available. There are several computer labs around campus, too. If you have specific questions, please call 717.569.7071.

## **Can I Get a job at LBC?**

There are several great jobs right here on campus! To search and apply for current job postings, click on the Student Portal on the LBC homepage. Then, go to the Student Jobs section.

## **Can I get meals on campus?**

LBC does offer Commuter Meal Plans. Plans can be purchased at the Solution Center at anytime throughout the semester.

## **What is a stop and how do I get into it?**

Here at LBC, we refer to your mailbox as your “Stop.” If you have already received your schedule, check your LBC email account for an email containing your Stop number and combination. If you have any questions please email [thestop@lbc.edu](mailto:thestop@lbc.edu).

with academic departments and student publication, such as the *Charge Journal*.

## **A Message from the Wellness Center**

It is a College requirement that all new students have a physical exam and submit a completed Health Form prior to the start of the semester. The exam needs to be within the last year. Failure to do so will prohibit you from registering for classes.

If you need a Health Form or if you have any questions, please contact Student Affairs.

## **Want to get involved?**

The Student Union (SU) eagerly awaits your arrival at LBC. They are your voice for any ideas that you would like to see put into action. SU consists of many different groups and organizations that you can be involved in.

Becoming involved in a club, fellowship or an organization is a great way to meet new people with similar interests and talents outside the classroom. Some of these groups include Student Missions Fellowship (SMF), Student Activities Team (SAT), clubs connected with academic departments and student publication, such as the *Charge Journal*.
