An Opportunity for High School Juniors & Seniors!

Lancaster Bible College is proud to offer you the opportunity to take one tuition-free course each fall and spring of your junior and senior years!

That means you can earn up to 12 college credits before you even graduate from high school. And, if you become a Traditional Undergraduate student at LBC after high school, you will receive a \$500 annual scholarship for each JumpStart course you took at LBC, for a maximum of \$2,000! For further details about the JumpStart scholarship, please e-mail Liliana Carrano at: lcarrano@lbc.edu.

Registration Process for Returning JumpStart Students

If you have already participated in the JumpStart Program prior to **fall 2023**, then you are "grandfathered" into the program & are not required to fill out an application nor submit test scores (unless test scores are needed to meet the prerequisite for a course offered). Registration will be the same as it has been in the past for you.

Information & important dates can be found at the LBC JumpStart webpage, found at this link: www.lbc.edu/jumpstart

Registration Process for New JumpStart Students

In order to participate in the JumpStart Program, new students will need to fill out a **JumpStart Application**, not just the online registration form. The application will require students to submit high school transcripts as well as scores from the SAT, PSAT, ACT, CLT, or CLT10. **This is very important to note due to the dates these tests are offered.**

For more information on the SAT & PSAT, visit: www.collegeboard.org

For more information on the ACT, visit: www.act.org

For more information on the CLT & CLT10, visit: www.cltxam.com

After submitting the application online, the student will be notified of their acceptance into the JumpStart program. Information & important dates can be found at: www.lbc.edu/jumpstart

New Student Orientation

JumpStart orientation is required before you start your first class. You only have to attend once while you are a JumpStart student.

The fall 2023 JumpStart new student orientation will be held on our Lancaster campus on **Wednesday, August 2, 2023** from

9:30 am—11:00 am.

You will receive information on your class and have your JumpStart questions answered, as well as receive a tour of our campus.

Orientation is mandatory in order to attend class this semester! If you are unable to attend the orientation session, please reach out to Matt Wheeler at:

mwheeler@lbc.edu
