Canadian Brass

7:30 P.M. MARCH 10, 2025 | THE TRUST PERFORMING ARTS CENTER

For 50-plus years, Canadian Brass has served as a pioneer to bring brass music to new audiences. Showcasing Baroque and Dixieland to new compositions, hallmarks of any Canadian Brass performance are entertainment, spontaneity and fun. With over 130 albums and a global touring schedule, Canadian Brass has scored top Billboard spots for rousing recordings of patriotic songs. Millions have heard the musicians through appearances on "The Tonight Show," "TODAY," "Entertainment Tonight," PBS specials and even "Sesame Street." Education is key to the Canadian Brass story, with each member attuned to training the next generation.
